

Patents

Patents 1 - 10 on "object oriented" animation. (0.04 seconds)

Method and system for image animation

US Pat. 5946002 - Filed Feb 14, 1997 - Novell, Inc.

An **object-oriented animation** according to claim 9, said **animation window**.
further comprising an external data structure, said external 4. ...

Object-oriented multi-tasking view framework

US Pat. 5555368 - Filed Dec 30, 1993 - Taligent

"ET++An **Object Oriented Application Framework in C++**". ... This mechanism supports
animation, tracking feed-back and updating invalid areas of the display ...

Animation generating method in a design supporting system

US Pat. 5655067 - Filed Aug 1, 1994 - Hitachi, Ltd.

To effectively utilize the above-described **object-oriented animation** method
producing method in such a design sup- type simulator, an improvement in the ...

Object modeling for computer simulation and animation

US Pat. 6563503 - Filed Aug 25, 1999 - Nintendo Co., Ltd.

A system as in claim 15 wherein said predetermined **animation** information comprises a
... An **object oriented** real time 3D home or portable video game playing ...

System having automatic insertion of hooks into **object-oriented** software for visualizing execution thereof

US Pat. 5832270 - Filed Mar 26, 1997 - International Business Machines Corporation

John T. Stasko "Tango: A Framework and System for Algo-rithm **Animation**" (Georgia
... Ronald L. Drumheller [57] **Object-oriented** system methods are ...

Object oriented video framework system

US Pat. 5471675 - Filed Jul 27, 1993 - Taligent, Inc.

It is preferable that the video framework of the preferred embodiment of the
invention also support **animation**. **Animation**, including but not limited to live ...

Prioritization of background display during animation

US Pat. 5920325 - Filed Nov 20, 1996 - International Business Machines Corporation

In a preferred embodiment, the present invention is imple-mented in the C++
programming language using **object oriented** programming techniques. ...

Operating system with **object-oriented** printing interface

US Pat. 5495561 - Filed Jun 21, 1993 - Taligent, Inc.

For the purpose of illustration, the printing example set forth below will create
a brochure with four copies of an **animation** (cartoon) followed by two ...

Computer implemented **object oriented** visualization system and method

US Pat. 5917730 - Filed Aug 16, 1996 - GSE Process Solutions, Inc.

The computer implemented **object oriented** system enables the user to quickly ...
A graphic model can consist of static and dynamic objects, **animation** of ...

Methods and systems for animating the interaction of objects in an **object oriented** program

US Pat. 7055131 - Filed Apr 20, 2001 - Borland Software Corporation

24 after a fourth in detail below As ig we]] ^or m **object.oriented** pro. step oi
the **animation**; 55 tributes), common behavior (operations or methods), ...

Patents

Patents 1 - 8 on object oriented animation cartoon character. (0.20 seconds)

Controlling personality manifestations by objects in a computer-assisted animation environment

US Pat. 5982390 - Filed Mar 24, 1997 - Stan Stoneking

Thus, it would be an advance in the art if the benefits of **object-oriented** programming could be combined with com-puter graphic techniques to provide ...

Method and apparatus for providing non-photorealistic cartoon outlining within a 3D videographics system

US Pat 6747642 - Filed Dec 21, 1999 - Nintendo Co., Ltd.

This could be useful, for example, to render a non-border-lined **object** ... storing three-dimensional data representing at least one **cartoon character**; ...

Bed clothes

US Pat 4875245 - Filed Jul 25, 1988 - Habitation

For example, in the case of a **character** (**cartoon**-like or otherwise), ... are intended to show or depict a second article, **object**, **character**, design, etc. ...

Rendering a two-dimensional image

US Pat 6608627 - Filed Oct 4, 1999 - Intel Corporation

Process 30 may be used to create **cartoon** images for **animation**. ... level procedural or **object-oriented** programming language to communicate with a computer ...

METHOD OF MAKING CINEMATOGRAPHIC FILMS

US Pat 3507567 - Filed Jul 25, 1967

20 of its directionally-**oriented**, crystalline structure or paral-lel molecular ... **cartoon** films must be resolved into individual phases or 25 the method ...

Method and apparatus for determining visible surfaces

US Pat. 5825363 - Filed May 24, 1996 - Microsoft Corporation

... of human or **cartoon character**, typically can comprise approxi- the background. ... efficient rendering system for **animation** applications. the geometric ...

Method and apparatus for providing logical combination of N alpha operations within a graphics system

US Pat 7061502 - Filed Nov 28, 2000 - Nintendo Co., Ltd.

Example **Cartoon** Outlining Process Implemented On Sys- Routine 1350 then tests ... identifiers that may **object** as a bit map (eg, for explosion **animation**). be ...

Toothbrush assembly

US Pat 5675859 - Filed Jun 7, 1995 - Chesebrough-Pond's USA Co., Division of Conopco, Inc.

Moreover, Accordingly, it is an **object** of the present invention to of the toothbrush tapering ever increasingly outward along vertical upright position. ...

Patents

Patents 1 - 10 on **object oriented animation cartoon**. (0.15 seconds)

Operating system with **object-oriented** printing interface

US Pat. 5495561 - Filed Jun 21, 1993 - Taligent, Inc.

For the purpose of illustration, the printing example set forth below will create a brochure with four copies of an **animation (cartoon)** followed by two ...

Method and system for displaying an animated focus item

US Pat. 5687331 - Filed Aug 3, 1995 - Microsoft Corporation

Children, in turn, a container **object** that holds one or more other objects. ...
each **object** in the order to create a **cartoon-like animation**. hierarchy has ...

Controlling personality manifestations by objects in a computer-assisted **animation** environment

US Pat. 5982390 - Filed Mar 24, 1997 - Stan Stoneking

Thus, it would be an advance in the art if the benefits of **object-oriented** programming could be combined with com-puter graphic techniques to provide ...

Graphical user interface for interactive television with an animated agent

US Pat. 5524195 - Filed Mar 4, 1994 - Sun Microsystems, Inc.

8, an unfurled Poster 93 appears in a **cartoon-like** animated form having ...
is based, each control function is an **object-oriented** programming type of **object** ...

Method and device for reconstructing acoustic data and **animation** data in synchronization

US Pat. 6735738 - Filed Oct 20, 1999 - Fujitsu Limited

In particular, in the field of story-**oriented** animated cartoons that handle sounds and **animation** at the same time, computer processing is widely used for ...

Method and apparatus for providing non-photorealistic **cartoon** outlining within a 3D videographics system

US Pat. 6747642 - Filed Dec 21, 1999 - Nintendo Co., Ltd.

This could be useful, for example, to render a non-border-lined **object** ...
312 are **oriented** adjacent to (eg, in contact with) one another as illustrated in ...

METHOD AND APPARATUS FOR MAKING ANIMATED CARTOONS

US Pat. 3888572 - Filed Apr 21, 1971 - Optical Systems Corporation

For this purpose, fixed polarizing screens or filters, **oriented** in ... image enables the artist to draw the **animation** 55 in proper relation thereto. ...

Method and apparatus for automatic gap closing in computer aided drawing

US Pat. 5574839 - Filed Feb 14, 1994 - Digital Equipment Corporation

For example, applications for high quality **cartoon animation** require higher ...
A vector based system is an **object oriented** system in that the unit of ...

Method and apparatus for automatic gap closing in computer aided drawing

US Pat. 5694536 - Filed Nov 12, 1996 - Digital Equipment Corporation

The For example, applications for high quality **cartoon animation** article above ... and the corresponding vector based system is an **object oriented** system in ...

Graphical user interface for selection of audiovisual programming

US Pat 5745710 - Filed Jan 11, 1996 - Sun Microsystems, Inc.

B __, animation is intended to communicate to the user that the thereby ...
before function is an **object-oriented** programming type of **object** from the VOD ...

System having automatic insertion of hooks into **object-oriented** software for visualizing execution thereof

US Pat. 5832270 - Filed Mar 26, 1997 - International Business Machines Corporation

John T. Stasko "Tango: A Framework and System for Algo-rithm **Animation**" (Georgia ... Ronald L. Drumheller [57] ABSTRACT **Object-oriented** system methods are ...

Object oriented video framework system

US Pat. 5471675 - Filed Jul 27, 1993 - Taligent, Inc.

9 (eg video device driver **object** 920) may be but are not necessarily the same ... **Animation**, including but not limited to live video is accomplished by ...

Prioritization of background display during animation

US Pat. 5920325 - Filed Nov 20, 1996 - International Business Machines Corporation

As known by those skilled in the art, **object oriented** programming ... Although **object oriented** programming offers significant 45 improvements over other ...

Operating system with **object-oriented** printing interface

US Pat. 5495561 - Filed Jun 21, 1993 - Taligent, Inc.

The four **animation** copies are designed to appear on one page. ... This next step is accomplished by obtaining a printer **object** which specifies a particular ...

Computer implemented **object oriented** visualization system and method

US Pat. 5917730 - Filed Aug 16, 1996 - GSE Process Solutions, Inc.

The computer implemented **object oriented** system enables the user to quickly ... A graphic model can consist of static and dynamic objects, **animation** of ...
